

The Newman | 4 bedroom edition

Levels: 2
 Bedrooms: 4
 Baths: 2.5
 Garage: 3-car
 ASF: 2632

Featured in the Fall 2010 Parade of Homes, the Newman has been designed by the builder to be lived in. He puts a place to hide the toys that would be otherwise scattered through the great room. There's a shelf in the pantry with outlets for your appliances so you can keep your counters clean. Instead of wasted space, he's built smart storage space. Photos Similar.
